

Warrant eSignature Student Instructions

These instructions are for students of warrants who will have the ability to review their warrant status in Portal and send e-signature emails to the committees so that committee members are notified that they should review and e-sign a warrant.

1. After a warrant is created, subsequently approved, and ready to be signed you will want to notify the committee of the warrant. To begin the workflow, you will need to access the new Committee page. It can be accessed from the warrant section of your Student page in Portal:

Click the actions button and you will see the “View Committee” button. If a committee member’s email is missing you will see an exclamation point as that is needed to send them the e-signature email.

2. Once in the committee page you will see some details for the warrant and its committee:

3. If a member is missing their email you will see an Edit button available to edit their details. The fields available to edit vary based on whether it is a UW or non-UW member. If it is a UW member you can search for them by netid or name and select them. If it is a non-UW member you need to manually update the fields.

Non-UW:

4. Once all members have their information updated you can click the Email Committee button at the top right or the Email button next to the specific members.

5. The email members button will list all members and their emails. If you click this button before updating someone who is missing their email you will see EMAIL MISSING for anyone who needs to be updated. You can preview the email in this modal, but it will always be the same message. You can use the checkboxes on the left to decide who the email will be sent to. You can also choose to send the email from your personal email using the radio buttons at the top. The email will not send to members who have already signed.

6. Once you are ready to send you just need to click the Send button.

7. Let's say a week has passed and only half of the committee has signed. If you come back to this page it will show who has signed and when. You want to send another reminder email, so you follow the same workflow. However, only members who have not signed will receive another email.

8. Once all signatures have been received, you can let your coordinator know that the Warrant is ready to be processed by the Graduate School. They can then submit it from two places – the committee page and the action dropdown on the student’s page. This button is only enabled when all signatures have been received:

The screenshot shows a web interface for the 'Yuzhe Ma Prelim Warrant Committee'. At the top right, there is a green button labeled 'Submit Warrant' which is circled in red. Below the header is a breadcrumb trail: 'Yuzhe Ma / Prelim Warrant / Committee'. The main content area is titled '- Warrants' and contains a table with the following columns: Program, Type, Term, Status, Signed Warrant Document, Document, and Actions.
